

WHY ARE WE HERE?

WHY ARE WE HERE?

A beloved poet Brother in Nigeria, on Red Thread Poets, Ebuka Emmanuel Nawfor, just asked me these Question:

Sometimes I sit down and wonder why we are here?

What is the purpose of sending us here?

Are you sure we're not making mistakes?

People are starving and dying of hunger and it hurts!!!

I understand that we worshiped Him over there in heaven before we came down here and e when we get back to heaven, then why did He sent us here?

MY ANSWER:

3 keys:

1. We are made in God's image after His likeness, for a purpose: to fellowship with and do things together, BUT on His terms,
2. It is a weeding out process - those who reject Him, He reluctantly accepts and they loose,
3. We are spiritual beings primarily, but for a season for the above process, we have a physical nature AT THE SAME. We have choices in this created earth with its time/death environment. But our spirit before joining the sperm and the egg of our earthly parents (who like our bodies - is made out of the dust and dirt of the earth - like everything else here on earth) volunteered (i believe - no proof yet) to enter a chosen environment / family line situation here on earth for some reason I do not understand but somehow choosing a challenging environment where there was something to be a) overcome, and/or b) something to accomplish' - what you could call our 'destiny / purpose / mandate / assignment / birthright. peterwill

WHY ARE WE HERE?

OUR EXCHANGE:

This is hard, but true. Ebuka

Seems a priority then is to get to know our human spirit, collaborate so our spirit, body and soul (with all its parts (each with it's own mind, will and emotions and our inherited subconscious mind) and work together, WITH God's help despite the enemy, to solve the riddle and partner with God on His and our human spirits terms - very humbling.

Francois Engelbrecht, said to me last week, there are only two primary strongholds a) the Demonic, which can be handled with God's help, and b) the subconscious mind. The latter is where our focus should be on 'soul transformation' to rewire the subconscious mind from the negative (darkness) to the positive (Light). I.E.: FOCUS on Jesus Christ who is THE Light, allowing God to transform our minds.

"And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ." 1 Thessalonians 5:23 KJVS. peterwill
